February BAH: Images Boutique

Our February BAH was an intimate event at one of the shops that really makes New Lenox special, Images Boutique! Images specializes in providing products for women after breast surgery. The event really demonstrated the power networking. The group focused on different ideas for Debbie and Ivana to help spread the word about Images. The ideas were as awesome as the energy in the room!! If you have someone that could benefit it from their products - breast forms, custom forms, wigs, bras, sleeves, and the help of an expert fitter – make sure to share Images Boutique with them!

April Business After Hours: State Senator Michael E. Hastings

Sen. Michael Hastings hosted BAH for the New Lenox, Frankfort and Mokena Chambers on Tuesday, April 18 at The Dancing Marlin. The turnout was amazing; and in addition to the networking and delicious food and drinks, special guest David Harris, Director of the Illinois Dept. of Revenue, discussed the state's minimum wage increase, how to apply for small business credits and the department's new website.

"As a business owner I was impressed with Senator Hastings and Director David Harris presentation. We have a financial problem in Illinois which we need to face, they are vested in trying to help find solutions. I felt they are willing to listen to suggestions. They are available to us if we need them," shared Patty Cunningham, NLCC President (owner of Paramount EO / Crest Lighting).
